Happy Anniversary Fateful Encounters~!

The first anniversary of FE! I'm really amazed at how much we've progressed throughout the year, and amazed that we're still alive (since most newbie groups tend to die out easily) TwT I've been here since the beginning and now it's our first year completed. I'd like to thank all the staff and admins for their hard work and my part is for paying the internet bill Long Live FE!

In the flourishing mid genroku era...

is full of people using the "redxblue" drug,
painted with the color of deep pleasure and deterioration.
The redxblue...
